

For their 2011 production, the award-winning Manchester Universities Gilbert and Sullivan Society returns to the RNCM Theatre with *THE YEOMEN OF THE GUARD*. This bold gothic interpretation of a classic English opera marks 60 years of entertaining audiences with vibrant, contemporary productions.

Injustice and dark pathos meets humour and mistaken identity in a colourful, caricatured Tudor world of jesters, buxom wenches and brave Tower Warders.

Let Manchester's biggest and best student theatre company take you on a 'Strange Adventure' of joy, laughter and unrequited love.
